Congratulations Craig Vishwesh!

Your abstract **2500760**, entitled *Nutrient-Specific Inequality in Global Food Availability: Energy, Protein, and Fat Across 176 Countries, 2020–2023*, has been accepted for an Oral Presentation at the ASPEN 2027 Nutrition Science & Practice Conference at the Hyatt Regency Chicago in Chicago, Illinois from February 13 - 16, 2027. The individual listed as the presenting author on the abstract will receive additional communication regarding the oral presentation in the coming weeks.

To Do: Respond back to this email to

- Confirm that this notification was received, and the presenting author confirms presentation and attendance at the conference.

- Confirm that the abstract title included above is free from errors and is ready to be published.

Session Details
Session Date: Tuesday, February 16, 2027, 12:00 PM – 1:30 PM CT
Session Title: Nutrition and Metabolism Research Paper
Session: GI, Obesity, Metabolic, and Other Nutrition-Related Concepts
We do not yet have room assignments, so please check the conference guide for location details when you arrive at the ASPEN Nutrition Science & Practice Conference.

Presentation Details:

1. You will have approximately 10 minutes to present your abstract, with 5 minutes to answer questions for a total of 15 minutes.
2. You are required to give a brief PowerPoint presentation. Communication will be sent prior to the conference regarding speaker materials including a PowerPoint template. You will have to include all the elements in the template (also please note that you will be required to upload a PowerPoint presentation to ASPEN just prior to the conference. Additional communication regarding this task will be sent in the next coming weeks).
3. An institution's logo may be used once on an introductory PowerPoint slide.
4. Any pictures of products should have the manufacturer's logo blocked out.

Plan to arrive at least 10 minutes early to ensure the PowerPoint presentation is pre-loaded on the session laptop. As a backup, bring the presentation to the session on a USB device.

In addition, the abstract will be published in *JPEN* as a part of the ASPEN Nutrition Science & Practice Conference Abstract Supplement.

ASPEN Nutrition Science & Practice Conference Details:
If you have not already done so, make your plans now to attend the conference. Please note that with the submission of an abstract you made a commitment to present if accepted and that failure to present and register for the meeting, if not justified, may jeopardize future acceptance of abstracts. Visit

the conference webpage or type www.nutritioncare.org/conference/ directly into your internet browser for more information. Early registration ends on November 18, 2026.

When You are Ready to Publish Your Manuscript:
Share your research with an even larger audience! Submit an article of your data to *JPEN* or *NCP*, which reaches an interprofessional group of colleagues, grant funders, academic leaders, and healthcare employers.

Promote Your Research Presentation on Social Media:
If you would like to promote your upcoming presentation for ASPEN27 on social media, please feel free to use ASPEN templates. This is an optional activity.
